A S. E. Dott. ABDULLAHI AHMED ADDO
Ministro delle Finanze
Repubblica Democratica Somala
MOGADISHU - SOMALIA

Oggetto: Contratto n. PC817196 del 17 Ottobre 1982

A seguito dell'incontro avuto a Mogadishu con il Sig. Presidente della Repubblica Somala, di S.E. e dell'Egr. Avvocato Hassan in occasione della firma del contratto in oggetto ci pregiamo relazionarLa in merito.

1) I materiali oggetto del contratto sono tutt'ora disponibili in attesa della definizione finanziaria.

2) A motivo del ritardo per l'ottenimento del finanziamento ci siamo permessi sottoporre all'attenzione degli Enti Competenti americani la possibilità di un pagamento mediante sconto cambiali emesse dall'acquirente e garantite dalla Banca Centrale Somala.
Onde realizzare tale possibilità i predetti Enti hanno interpellato primarie banche americane dalle quali abbiamo appreso che per il 1982 l'indebitamento del Suo Governo non consente lo sconto in questione. Si sono, comunque riservati di rivedere le proprie posizioni alla luce della situazione per il 1983, dandocene comunicazione entro il mese di Gennaio 1983.

3) Contemporaneamente, abbiamo interpellato tutti gli organi finanziari internazionali di ns. conoscenza ed abbiamo in generale ottenuto risposte positive ma condizionate a garanzie aggiuntive.

./.

3209

Facciamo cenno in particolare al telex, la cui copia in mano all'avvocato Hassan, dove l'ente erogante si rende disponibile per finanziamenti di entità anche superiori ai 500 Milioni US$ ma richiede una garanzia collaterale. Esistono contatti, con altro ente finanziatore, dai quali si può presumere la possibilità di realizzare un finanziamento alla Somalia senza vincoli di garanzia collaterali. Diamo copia del telex ricevuto all'avvocato Hassan che provvederà ad inoltrarlo per le Sue considerazioni e decisioni.

4) Al fine di ufficializzare la fornitura La preghiamo di voler emettere su carta intestata del Suo Ministero, Certificato di Ultima Destinazione (E.U.C.), il testo del quale e le istruzioni sono in possesso dell'avvocato Hassan.

Cogliamo l'occasione per assicurarLe ancora una volta la ns. migliore collaborazione tesa alla realizzazione del contratto, e mentre La ringraziamo per la cortese ospitalità riservataci durante la ns. visita nel Suo Paese ci è gradito l'incontro per porgerLe i ns. deferenti saluti.

RE M48A5
AFTER DISCUSSING YOUR REMARKS WITH MR. NICHOLAS AND SELLER,
BANK OF LIECHTENSTEIN HAS BEEN INSTRUCTED TO TELEX TO BANK
OF TAIWAN ASKING THAT, INSTEAD OF THE LETTER OF CREDIT, TAIWAN
ISSUES AN IRREVOCABLE BANK GUARANTEE AGAINST A PERFORMANCE
BOND OF USD TWO MILLIONS TO BE PLACED IRREVOCABLY BY SELLER
IN FAVOUR OF TAIWAN SHOULD THE GOODS PROVE TO BE NOT EXISTING.
THIS PERFORMANCE BOND, HOWEVER, IS INTENDED FOR THE PURCHASE
OF THE GOODS. IN CASE TAIWAN SUBMITS A NON-VALID END USER
CERTIFICATE THE GOODS WILL NEVER LEAVE.
THEREFORE, EITHER YOU ARE IN A POSITION TO PROVIDE SUCH A VALID
EUC OR IT WOULD BE HIGHLY RECOMMENDED THAT YOU CHARGE
THE SELLER WITH SSSUCH A MATTER. IN THIS CASE PLEASE NOTE THAT FOR
THE BRAND NEW UNITS THE EUC COSTS USD 180.000 PER UNIT
AND FOR THE RECONDITIONED INITS THE EUC COSTS USD 135.000 PER
UNIT.
WE ARE AVAILABLE FOR ANY POSSIBLE COOPERATION AND LOOK FORWARD
TO KNOW IF YOU ACCEPT TO ISSUE THE IRREVOCABLE BANK GUARANTEE
AGAINST SELLER'S P/BOND AND WHAT YOU DECIDE FOR THE EUC.
BEST REGARDS

ATTN: MR. PAUL NICHOLAS
RE M48A5 FOR TAIWAN
AFTER HAVING DISCUSSED MATTER WITH SELLER WE HAVE INSTRUCTED THE BANK OF LIECHTENSTEIN TO SEND A TELEX TO THE BANK OF TAIWAN SUGGESTING THAT, IN PLACE OF THE L/C, TAIWAN ISSUES AN IRREVOCABLE BANK GUARANTEE AGAINST A PERFORMANCE BOND OF USD TWO MILLIONS TO BE PLACED IRREVOCABLY BY SELLER IN FAVOUR OF TAIWAN IN CASE THE GOODS ARENOT EXISTING.
HOWEVER , THERE IS A PROBLEM. PRICES DO NOT INCLUDE THE EUC. IF TAIWAN PROVIDED AN EUC WHICH IS NOT ACCEPTABLE THE GOODS WILL NEVER LEAVE THE STATES.
THE PERFORMANCE BOND FROM SELLER IS INTENDED FOR THE PURCHASE OF THE GOODS. IF TAIWAN SUBMITS A NON-VALID EUC THE GOODS WILL NOT DEPART.IN CASE TAIWAN ACCEPT SELLER TO CARE FOR THE EUC (AND ITS RELATIVE PRICE) THERE IS NO PROBLEM.
FRANKLY SPEAKING, THE FACT THAT TAIWAN HAS NEVER SUCCEEDED TO OBTAIN THESE GOODS IS THAT - LIKE MANY OTHER COUNTRIES THEY SHOW TO HAVE THE MONEY, THEY WANT TO INSPECT THE GOODS AND THEN, HAVING KNOWN THE WAY TO FOLLOW, THEY CIRCMVENT US AND DEAL DIRECTLY. SINCE WE HAVE NO PROTECTION (THE MONEY BEING NOT BLOCKED OR GUARANTEED TO US), WE ARE THEN FOOLED AROUND.
IN SUMMARY, WE HAVE TWO PROBLEMS:

1) TAIWAN MUST ACCEPT TO ISSUE AN IRREVOCABLE BANK GUARANTEE AGAINST AN IRREVOCABLE PERFORMANCE BOND FROM SELLER;
2) IT WOULD BE WISE FOR TAIWAN TO CHARGE WITH ALL MATTERS CONCERNING THE END USER CERTIFICATE, OTHERWISE THE DEAL CAN NOT GO THROUGH SHOULD TAIWAN SUBMIT A NON-VALID EUC.

RE 66 HELICOPTERS

IVAN HAS TRIED IN VAIN TO CONTACT DAVID BY PHONE. THE NUMBER YOU GAVE ME NEVER ANSWERS.
HER, TOO. THERE IS NO VALID REASON FOR IVAN AND OTTO TO GO TO LONDON SIMPLY TO KNOW THAT BUYER HAS THE MONEY. THIS MONEY MUST BE EITHER BLOCKED OR GUARANTEED TO US AND THIS CAN ONLY DONE BY A BANK TO BANK TRANSACTION.
SELLERS ARE VERY NERVOUS FOR BUYER HAS NOT SHOWN UP IN LIECHTENSTEIN AND THEN COULD NOT BE CONTACTED BY PHONE.
SO NOW BUYER HAS TO GIVE AN IRREVOCABLE BANK GUARANTEE HERE TOO AGAINST AN IRREVOCABLE PERFORMANCE BOND WHICH SELLER IS READY TO ISSUE.
RGDS./ G. DR. PARTEL.

RE YR TLX DEC 22.. MINESWEEPERS.

REF MY TELEX 275 AND OFFER OF 4 UNITS BRAND NEW...

A) I AM NOT PREPARED TO LODGE USD100 THOUSAND AS PERFORMANCE BOND BECAUSE:

1. I CANNOT GET ANY OPTION FOR MYSELF FROM SELLERS.
2. SELLERS ARE NOT PREPARED TO LODGE THE 100,000 EITHER AS THEY DO NOT KNOW BUYER AND HIS CAPABILITY TO PURCHASE.
3. I CANNOT SEE WHY YOUR BUYER PUTS HIS L/C UP, THEN SELLERS WILL ISSUE A PERFORMANCE BOND OF 5 PCT, BUT ONLY AGAINST BUYERS L/C.

B) AS THE SELLER WILL NOT GIVE ME ANY OPTION, I CANNOT GUARANTEE YOU/YOUR BUYERS THAT THE 4 VESSELS WILL BE AVAILABLE IN 2-3 WEEKS.

C) IF YOU STILL WANT ME TO SEND YOU THE SPECS, I WILL DO SO ON THURSDAY 30 DEC, AS I AM GETTING THE BASIC SPECS FROM THE SELLERS ON THE 29 DEC.

D) IF YOUR BUYERS CANNOT ARRANGE FOR EUC I WILL ARRANGE THIS FOR USD 250 THOUSAND EXTRA PER UNIT, TO BE PAID TO ME BY BANKDRAFT, AT THE SAME TIME YOUR BUYERS OPEN L/C. SELLERS WILL TRUST ME FOR COST OF EUC TO THEM, SO IF I TELL THEM TO GO AHEAD AND ARRANGE FOR EUC THEY WILL PAY OUT OF THEIR OWN POCKET, AND COLLECT FROM ME WHEN L/C IS OPENED.
THIS IS ALL I CAN DO IN THIS MATTER.

Telex from Texas bank reached Vannod on Friday.
Transmitted to the Deutsche Bank. Perfect, but they still need details on two points:

- give name of who is going to sign the contract (whoever this is, corporation, etc.)
- indicate the city where the guarantee bank is located (they had not yet selected the seat).

Send this telex with above information immediately to the Germano bank (not Vannod).
Soon after, they will confirm the operation and make the invitation.

Telex received from FREDON FUNDING INC. on behalf of Continental Trust Bank.
They have requested loans of 200 and 500 mio., plus one of 1 billion, plus other things. Have explained in detail matters which are of no interest to the Deutsche Bank (who has provided the deals, who are to paid, banks guaranteeing the different operations, etc.
Here banks cannot reply to privates.
So please have the telex send forth from the Comminental Trust bank, but only for the 200 and 500 mio. loans (let's do one step at the time). They have to state they accept the conditions (repeat the conditions), they are to list the bank which guarantee these two loans - only these two loans -, they have to ask to fund evidence and instructions.
In case they want to indicate who has to be paid, state one person only for all interested parties.

Guided missile atm 90

Description

The guided missile atm 90 is a radar-command rocket launched from a tube and especially suitable for fighting tanks, helicopters and trucks.

The digital video camera in the head of the guided missile transmits the picture of the target area or the target to the video monitor on the launching platform. The gunner directs the atm to the target by means of radio-command guidance. The main advantage of this guidance system is that no direct visual contact is necessary for target engagement. It is only necessary to know the rough location of the targets; target selection can be made from a corresponding altitude during target approach.

The guidance system of the atm 90 has decisive advantages in comparison to the tca systems (Milan,Hot), often used with anti-tank missiles:

A direct visual contact with the target is not necessary for engagement.

Target engagement can be made from safe cover, this being especially true for the airborne variant of the atm 90, where the weapon carrier does not have to expose itself to the action of enemy anti-aircraft weapons.

The launching platform does not need sophisticated gyroscope-stabilised sights (e.g. for air- and truck-borne variants).

Apart from recharging the battery power supply, any maintenance and adjustment work on the aiming and guidance system can therefore be dispensed with.

Using the television guidance system, the targets can be approached from a high-altitude position resulting in very favourable impact angles and an optimal effect of the war-head.

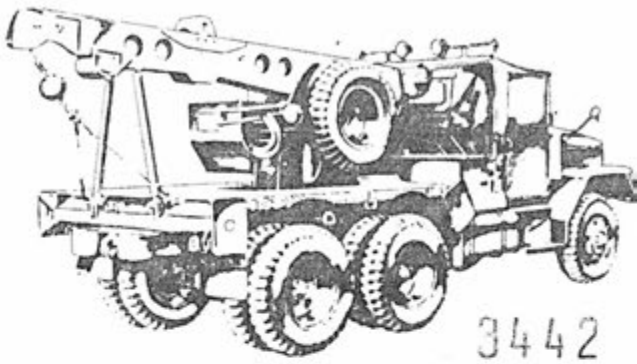

The weapon system has a high jamming and deception resistance.

Design of the atm 90 -
IV seeker head with digital camera; digital picture transmission with synchronous frequency jump transmitter in the vhf range.
Warhead - a multi-hollow-charge warhead with a switch-over point-base fuse and sleeve of steel balls.
Alternatively (still at trial stage) -
core-type projectile with tungsten core.
Instead of a hollqw charge, the tungsten core is accelerated to approx. 3500 m per second about 15 m before the target with the aid of a proximity fuse. This is effected by a booster charge which is independent of the sustainer propulsion unit.
Auto-pilot-and navigation system with twin-gyro auto-pilot and board computer for oversteering detection and error compensation.
The guiding pulses to the missile are transmitted digitally.
The rocket motor is a single-chamber dual thrust motor with a launching stage burning approx. 3 seconds and a long-burning cruising stage. The atm 90 is steered by means of a thrust vector control.
The missile is launched from a closed tube, the protective cap of the tube being blown off automatically by the gas pressure generating within the launching tube.
Dimensions -
Length: 1.05 m
Body diameter: 0.13 m
Wing span: 0.28 m
Launch weight: 15 kg
Warhead: 5 kg
Launching tube: 4.5 kg
Maximum range: approx. 5200 m
Times of flight: to 3000 m, approx. 14 sec.
to 5200 m, approx. 23 sec.

La documentazione in esame concerne richieste di armi, ed in particolare di munizionamento e di 3 fregate, per le forze armate indiane.

Come ha precisato il PARTEL, tali armi riguardavano non solo l'INDIA ma anche l'IRAN. L'iniziativa proveniva dal Gen. SODHI, indiano, per conto della Autorità Governativa Indiana.

A quanto ha specificato il PARTEL, il materiale bellico iraniano all'epoca (1982) e anche adesso è di provenienza e fabbricazione USA. Mentre, però, quando vi era lo Scià le forniture erano regolari e ufficiali, dall'epoca successiva alla ascesa al potere di KOHMEINI, gli approvvigionamenti avvengono tramite altri Governi, concordi gli USA.

L'intervento dei falsi terzi è solo apparente e formale. Nella specie il paese "turgo" è l'INDIA.

Nei casi in esame il paese turco ne ricava un beneficio consistente in un sovrapprezzo pagato dal paese destinatario effettivo a quello apparente.

Il personaggio interessato in questione è il Brig. H. L. HIRA SODHI (Retd) 17 E, NIZAMUDDIN WEST NEW-DELHI - 110013 - INDIA.

Dear Hira,

I refer to your telephone call of yesterday. I am forced to write, while I would much more like to use the telex in order to gain time.

Re your points:

1. As of today nobody has yet contacted the Swiss Bank ref. U. etc. In case they do, we will immediately be notified Everything is under control since the material is not in their hands.

2. I contacted by telex (he was not in office so I could not speak to him over the phone) the Manager of Misar and I pointed out the situation you illustrated to me, making your name (I have given your address) as the suggested representative.

3. Shells full-charge 130-mm for M46 are available for delivery in one month up to 25,000 units. Price is 445 US dollars per shell, inclusive of 10 US Dollars as your commission. It is requested a letter of authorization to deal with this matter and the funds evidence on any European bank.

Looking forward to hearing from you, I am,

Yours sincerely,

My dear Glauco,

I have received your letter of 14th and have noted its contents. I am happy that the Swiss Bank side is under control and that nobody has contacted them. I did not think that anybody would do it but did not want to be done down by somebody approaching them direct over our head.

I shall await the reply from Misar. There is good future in it.

The ammunition you have offered for 130 mm (M-46) is tank ammunition for the American tanks. This is not what we need. We need 130 mm ammunition for the Russian medium guns We will also be willing to buy guns if available. I know that Israel and Eurometaal of Holland do manufacure this ammunition. I do not know who others do it. I shall be grateful if you can find it out and offer it. The guns are being manufactured by Israel and will have to be supplied through third country because we cannot buy anything direct from Israel. Do please let me know if you find any scope.

With affectionate regards,

Yours sincerely,

Dear Hira,

I refer to our phone conversation of this morning. I confirm herewith that around 10-15 February a meeting is scheduled with the East-European manufacturers for the ammos and guns. We then will be able to re-quote prices.

From time to time we have special materials available - particularly in the fields of tanks, helicopters, ships, etc.).

Presently, for instance, we have the four frigates as per enclosed offer. Further details can be found on Jane's Fighting Ships 77/78, page 449 or 497. The vessels belong to the class "Baptista de Andrade" (Portugal).

The price for the four units is US Dollars 247 millions, inclusive of a commission of US Dollars 8 millions for intermediary groups and buyers.

It is required an escrow deposit of US Dollars 12 millions at the following bank:

Dear Hira,

I refer to your letter of 12 inst. The meeting with the East-European suppliers is to take place in a few days. The topics concerning your requirements which will be discussed are:

- 130-mm ammos
- 130-mm guns
- Naval version of 40-mm AA gun (if available).

As for the Unmachined Shell Forgings, these items cannot be obtained from East Europe, since they only supply finished products. It could be that, if requested, SAI-Amarcaini could produce them.

Referring now to the requirements for Iraq, they are more or less the same submitted to me three days ago per an Arab man who was looking after them. It is quite a mess, dear Hira. We have available for immediate delivery 100 M48A5 main battle tanks (an acceptable LOC is required), we have guns, we can have ammos, but it useless to proceed unless there is a fund evidence available to show the seriousness of buyer. I do doubt very much that buyers will be in a position to ascertain the bonafides of suppliers with all the dust they have arisen worldwide. So, when they have put forward the funds evidence, it will be possible to proceed.

Dear Sirs,

I refer to your phone call of this morning and would like to point out what follows:

1. Meeting with East European suppliers. It was rather disappointing in that they are now prevented to manufacture many items due to the political situation in Poland. Out of the many requests you put to me, the only one which can be met with is the supply of 130-mm guns. India is a country which has their approval. They ask about one week to return to us with their answers, quotations etc.

2. Your letter of 12 Feb. I replied on 20 Feb. Meanwhile it has been assessed that no naval version of the 40-mm AA gun is available from East Europe.

3. 4 Naval Frigates. They are still available, subject to prior sale. To block these, it is necessary to effect the escrow deposit.

4. Supplies for the Middle East. In the last week I received the same lists of requirements from at least three differe sources! So, there is no trust at all in these deals. If they are serious and want the materials, which we can supply, first of all we need to know:
   - what manufacture the buyer wants (for the guns): East European or U.S. (U.S. are better but they can be supplied only reconditioned not new);
   - how much the buyer is prepared to pay. No quotation is possible since these materials cannot be obtained in other ways than govt. to govt.

When the above is ascertained, 30, to 45, of the amount t client is prepared to pay must be deposited in escrow und code 'Minotaur' on the:

Trade Development Bank - Luxembourg
Tlx 2681
Attn. Glauco Partel, Passport N°H063351

Again, there is no problem in supplying 105,155,175-mm gu provided buyer complies with given instructions.

I need to be pre-advise before the client is ready to enter otherwise, in order to co-ordinate actions.

I enclose an offer for M-1A2 M1A1 main battle tanks. An acceptance and User Certificate is required, since these units are located in the U.S.A. A commission of 50.000 US dollars per unit is included in the price of USD 1.7 millions per unit. Further details eventually on hand.

Kind regards.

Yours sincerely,

Dr. Glauco Partel

Dear Mira,

I refer to your requirement for 122-mm items and I wish to outline the situation as follows:

1. East European sources
These are no longer reliable due to the present political situation. Their prices are extremely high (130-mm ammos were quoted at over 700 US dollars per item!), so we have to discard them.

2. My own channel
It could supply, but I have received the following telex:
"Impossible to quote for India as redtape there would make you mad. If you have got Government order/prices that they will pay then ok, if not do not bother".

3. Third-world supplier
For your information the following net prices (your mark-up is to be added) are envisaged:

122-mm HE ammos	US dollars 396 per unit
122-mm rockets for BM-21	US dollars 2460 per unit

In case of interest, these prices and delivery terms are to be checked and re-confirmed. Of course, this will require a visit to the supplier in question.

4. Chinese sources
We have been offered 122-mm guns, therefore we are inquiring about the materials in question.

In any case, we have a problem of communication, since letters take too long a time, telephone calls are difficult and are listened to. You should find a suitable telex where I can send my messages, since cables are all carefully rec

La documentazione in questione concerne richiesta, da parte di JOHN DUTCHER, cittadino americano, di 100 carri armati Leopard 1 in tre mesi per l'Arabia Saudita.

Nell'operazione sono interessati il PARTEL ed i soliti soci, nonchè il suddetto JOHN DUTCHER, RENATO PADOVANI, tale P. CAMUFFO (FIBRE I tx 333872).

Dal telex 9.8.1982 emerge che il PARTEL ha stretti contatti con THE RESPONSIBLE GERMAN PEOPLE, per la vendita di tali carri armati NATO FOB WESTERN EUROPE.

Viene organizzato un incontro nel PLACE HOTEL in Zurigo. GOOD EUC CONFIRMED.

Sono previste commissioni come da prospetto allegato, anche per i Servizi.

Il DUTCHER - come precisato dal PARTEL - svolgeva le funzioni di ufficiale pagatore in Arabia Saudita per conto della C.I.A., di cui era agente ufficiale.

La trattativa in esame non era da lui effettuata e curata come agente della CIA, ma in proprio e per i motivi di lucro e autofinanziamento di cui alla prima parte dell'interrogatorio del PARTEL.

ELICOTTERI THAI - PAGATEL

La documentazione concerne trattative per la vendita di elicotteri AH-IG alle Forze Armate Tailandesi.

Interessato è il Comandante dell'Aviazione Col. SUNDHARA KONGSOMPONG; tx 87900 MILITEK TH.

La banca degli acquirenti è la MILITARY BANK LTD. BANKOK; l'operazione è REF.COD.PIEC.-

La banca dei venditori: KREDIETS BANK tx:32460 KBANT B - ANTWERP - BELGIUM A/C n.410-066-3401-41 PEJA - COD. PAGATEL.

Nella specie trattasi di richiesta ufficiale della F.F.A.A. Tailandese effettuata per il tramite dello SPERA, cittadino italiano che vive in Tailandia.

All'uopo va precisato che detto paese dipende dagli USA con il S.E.A.T.O. (che ricomprende paesi dell'oriente sud-est Asia alleati USA, quali Malesia, Filippine, Indonesia, ecc.) Il TAYWAN gode di una posizione privilegiata,* come commercio in genere con gli USA.

Per le forniture militari, gli USA sono più cauti per non provocare la suscettibilità della Cina.

La TAINLANDIA, nella specie, si rivolse al mercato uf-

%

ficioso, in quanto la richiesta ufficiale non poteva essere soddisfatta subito (cfr. al riguardo interrogatorio PARTEL).

EXOCET

La documentazione concerne trattative per la vendita (operazione PAMPA) da parte di BARTOLOMEY e KRATEROS alla Marina Argentina di 30 e 52 Missili EXOCET.

L'operazione è di eccezionale importanza in quanto, in pieno clima di ostilità ARGENTINA - INGHILTERRA, vengono affettuate le trattative in questione a cura di personaggi legati alla P 2 (CORTI) in collegamento con la CIA, e con il sabotaggio finale dei servizi inglesi.

L'operazione viene commentata in altra sede.

In questa si evidenziano i contratti e bozze di contratti già firmati, e il telex del 21.7.82 della BANCA de la NATION ARGENTINA di PARIGI al CREDITE SUISSE-CHIASSO, contenente l'impegno di CARLOS CORTI per 40.000.000 di dollari per l'acquisto dei materiali.

Cfr. in particolare l'interrogatorio del PARTEL e quanto riportato nel capitolo XXIII sub Argentina.

TKU YR TLX RE EXO ..

THERE ARE STILL ANUMBER OF POINTS I AM PERSONALLY CHECKING OUT IN PARIS/HAMBURG RE EXO ONE, SUCH AS WHY HALLAUER WAS ALLOWED TO SEE DUTCHER ALONE FOR OVER ONE HOUR WHILST ALL OF U WAITED IN THE LOBBY OF THE HOTEL AND WHY FALSE STORIES WERE TOLD OF HALLAUERS PROFESSIONAL BACKGROUND ETC/ETC. MY REP IS LEAVING SYDNEY FRIDAY AND I SHOULD HAVE THE WHOLE PICTURE BYTHE WEEKEND.

RE YR SUGGESTIONS EXPO 2 ... FOR THIS ONE I AM PERSONALLY GOING TO BE THERE ... SO U CAN KEEP YR BUYER AND I WILL KEEP MY SELLER TILL WE MEET AT THE INSPECTION. HOWEVER I WILL GIVE U MY TERMS AND CONDITIONS NOW...

A) I HAVE ALREADY ARRANGED WITH MY ZURICH BANK TO ACCEPT CONFIRMATION OF FUNDS ETC, AND MY BANK WILL TLX BACK ONLY CONFIRMING ACKNOWLEDGEMENT OF BYERS BANK TELEX I WILL GIVE U FULL BANK ADDRESS/OFFICER/CODE ETC AND COMPLETE TEXT OF WHAT I WANT FROM BUYER, WHEN U INFORM ME U ARE READY..

B) I WILL PERSONALLY BE IN EUROPE AND GIVE U/YR BUYER 72 HOURS NOTICE OF DATE OF INSPECTION NOTE DATE ONLY YOUR BUYER AND ONE OTHER IDENTIFIED PERSON ONLY WILL BE PICKED UP AT A DESIGNATED TIME/PLACE BY ME AND TAKEN TO THE INSPECTION SITE. YOUR BUYER/ OTHER PERSON SHOULD HAVE WITH THEM A CERTIFIED BANK CHEQUE IN US DOLLARS DRAWN ON A PRIME BANK IN PARIS FOR THE FULL AMOUNT THE TRANSACTION. AFTER INSPECTION AND ACCEPTANCE AT WAREHOUSE/ STORAGE AT AIRPORT, BUYER HANDS OVER CHEQUE TO ME.. I WILL CLEAR IT AT DRAWER BANK TOGETHER WITH BUYERS MAN AND FROM THE BANK TLP THE GO AHEAD TO MY SELLER AT THE AIRPORT.

C) RE AIRCRAFT :

IF BUYER WANTS TO USE HIS OWN THIS IS FINE, BUT I WILL AS ADVISED ABOVE GIVE U/BUYER 72 HOURS

THEN POSITION NOTICE AND U CAN AIRCRAFT IN THE COUNTRY. AIRPORT DETAILS WILL ONLY BE GIVEN ON DATE OF INSPECTION. I CAN OFFER U A 707 FOR THIS WORK WHICH I WILL POSITION AT THE AIRPORT FOR USD 300,000 TO BE PAID AT THE SAME TIME AS SELLERS GET PAID. THE CHOICE IS YOURS.

D) I CANNOT AGREE TO 72 HOUR DEADLINES .. FOR ME TO DO THIS MYSELF I WILL NEED A MINIMUM OF 10 BANKING DAYS AFTER CONFIRMATION OF FUNDS IN MY BANK.

E) LANGUAGE/TRANSLATION DIFFICULTIES OF DOCUMENTATION AT INSPECTION IS NOT MY PROBLEM. THE BUYERS ASSISTANT AT INSPECTION AND WHO GOES WITH ME TO THE BANK FOR CHEQUE CLEARANCE MUST BE ABLE TO HANDLE THIS PROBLEM.

F) GLAUCO/IVAN ... I DO NOT WANT TO KNOW THE NAME OR ANYTHING ABOUT YR BUYER I WILL ACCEPT YOUR WORD.. LIKEWISE MY SELLER REMAINS ANONYMOUS. THE ONLY TIME THEY WILL MEET IS AT THE INSPECTION. THIS WAY I WILL NOT SIT IN A HOTEL LOBBY FOR 1 HOUR WHILST SELLER AND BUYER ARRANGE TERMS TO CUT OUR THROATS '!.

WHEN U ARE READY AND U ACCEPT ABOVE TERMS LET ME KNOW AND I WILL THEN MAKE THE NECESSARY ARRANGEMENTS. TILL SUCH TIME ALL OFFERS SUBJECT TO PRIOR SALE.

EUC per Exocet: Somalia o Kenya. Kenya!

Operazione gestita dalla Balbello Corp. di Zurich (che metteva il P/bond).

Lui, Otto, pessimistico sull'esito in quanto non ha fiducia nei francesi.

In origine i 52Exo erano di Müller. Questi gli aveva mostrato un documento del Kenya (Signal Corps). Quando si accorse che era fasullo (intanto, però, si era fatto il primo contratto con Aeschbach), contattò il suo Partner della Arateros a Salonicco che lo mise in contatto con l'ambasciata greca a Bruxelles. Questi lo introdussero all'addetto militare del Kenya a Bruxelles che giovedi 18 telefonò all'Aerospatiale prendendo appuntamento per l'indomani (andava ad ordinare gli Exo!). Aereo con flag Ghana.

Müller è di Berggischgladbach

Otto mostra un documento fasullo della Hermes Shipping PVBA, E. Van Dykkaai 10, 2000 Antwerpen, tlx. 32938 B, tel. 031-321275 (non firmato) ma col nome di Jan Verswyver in cui si offrivano 30 Exo a 300.000 dollari! L'offerta era indirizzata ad una ditta del New Jersey.

Balbello Corporation
108 Seefeldstrasse, CH 8008 Zurich
Tel. 01-472635

Nella riunione del 29/10/82 i seguenti partecipanti:

Adolf Wienke	D-6000, Frankfurt-Rodermark, Willi Leuschner Strasse
Adolf Huck	CH 1631 Hanteville Fr.
Otto Barchert	D-6751 Börrstadt, Schittgasse 12
Karlheinz Oettershagen	D-5948 Schmallenberg 11 Schanze 16

redigono un verbale da cui risulta che offrono 116 M48A5 al prezzo unitario di 850.000 dollari, piu circa 18 milioni di $ di EUC, più 8,5 milioni di $ di trasporto.

Questo è tutto quanto Otto dimostra di avere.

Il telex è di tale arabo ABDULHADI AND KHATIB a TRIPPINI EMILIO e accenna all'interesse arabo alla trattativa.

Il PARTEL nel suo interrogatorio ha dichiarato che tale trattativa all'inizio generica, poi specifica, aveva l'indicazione - data a Galileos telefonicamente- che destinatario doveva essere la Siria.

Il Giovannelli venne a Roma ed incaricò Emilio Trippini, che si interessava per i siriani.

Incontri avvennero presso l'Albergo Borromini Dice il Partel:

"Il GIOVANNELLI da quanto capii era molto amico del direttore e dovevano conoscersi da lunga data. Anche il Bertoncini fu presente in quell'occasione e venne dal Giovannelli presentato al direttore. Era il marzo 1982. Quell'incontro fu però succeduto da altri incontri che avvennero sempre nello stesso luogo. In sostanza questi incnntri si protrassero tre giorni in uno degli incon

%

tri successivi al primo, il Giovannelli mi presentò un avvocato. Per identificarlo dato che non ne conosco il nome, preciso che da quanto appresi aveva difeso la famiglia Rotschild in relazione al ritrovamento di due cadaveri in provincia di Macerata di cui uno era il cadavere della principessa. Lo stesso avvocato mi fu presentato come console del Sultanato di Oman. Il Giovannelli disse ciò e l'avvocato lo confermò. In tale incontro si discusse della richiesta fattami della fornitura di tre bombe atomiche per la Siria ed il Giovannelli fece venire questo avvocato, il Trippini in varie successive riprese, ciò in quanto il Giovannelli riteneva che qualcuno di loro potesse avere agganci con la Siria. Era in particolare il Trippini la persona che aveva agganci in Siria."

SECOND STEP: AT THE MEETING BETWEEN BUYER AND SELLER AT T.D.BANK, IF BUYER IS NOT SATISFIED HE TAKES BACK HIS RWA AND GOES AWAY. IF ON THE CONTRARY HS IS SATISFIED, A CONFIRMED, IRREVOCABLE, TRANSFERABLE AND DIVISIBLE LETTER OF CREDIT - DIVISIBLE SEVERAL TIMES - WILL BE OPENED UNDER CODE - GEM -. THIS LETTER OF CREDIT IS TO BE IN FAVOUR OF GLAUCO PARTEL AND WILL PERMIT AN IMMEDIATE DRAWDOWN OF 6Q% OF THE TOTAL VALUE OF THE L/C AS A HOLDING DEPOSIT.

BEFORE SAID DRAWDOWN TAKES PLACE, THE BUYER WILL SEND A MAXIMUM OF THREE EXPERTS TO THE SELLER'S PRODUCTION PLANT WHERE THEY WILL FOLLOW ALL STEPS OF PRODUCTION WHICH TAKES SIX WEEKS FOR COMPLETION.

THESE PERSONS WILL HAVE TO STAY SIX WEEKS IN THE PLANT UNTIL THE CONSTRUCCTION IS COMPLETED.

- COUNTRIES TO BE ABSOLUTEDLY EXCLUDED FROM THIS DEAL:
  ISRAEL - SOUTH AFRICA.

NEW PROCEDURE OF OPERATION

SELLER'S REPRESENTATIVE WHOM WE MET ON 7, 8 AND 9 MARCH 1982 WAS UPSET AT THE WAY THIS MATTER WAS DRAGGED FOR SO LONG.
IT NOW APPEARS THAT AGENTS FROM THE TWO COUNTRIES (ISRAEL AND SOUTH AFRICA) WHOM WE WERE NOT TO SELL HAVE GOT DETAILS OF THE EQUIPMENT WHICH WE DISCLOSED AND WHICH OBVIOUSLY WERE GIVEN TO THEM BY ONE OF THE GROUPS INVOLVED.
SELLERS ARE NOW NOT REPEAT N O T WILLING TC HAVE ANYONE AT THE MANUFACTURING PLANT, EVEN IF 1QQ PERCENTOF THE MONEY IS PAID IN ADVANCE, BECAUSE THEY DO NOT TRUST ANYONE NOW. THEY ARE PREPARED TO SIT DOWN WITH BUYERS IN LUXEMBOURG AND TALK THE DEAL, ONLY IF 6Q PERCENT OF THE MONEY IS CONFIRMED IN ESCROW IN LUXEMBOURG.
IF BUYERS DO NOT WANT TO PROCEED AFTER MEETING IN LUXEMBOURG WITH SELLERS, ESCROW IS RETURNED TO BUYERS LESS ONE PERCENT OF ESCROW WHICH SELLERS ESTIMATE IS REASONABLE CHARGES FOR THEIR EXPENSES/TIME AND DISCLOSURE.
IN THIS WAY IT IS POSSIBLE TO SEE WHO IS REALLY INTERESTED TO PURCHASE AND WHO IS INTERESTED ONLY FOR OTHER REASONS.

RE: 3 SPECIAL UNITS

TODAY I HAVE REPOTED TO MR. EMILIO SOME NEW DEVELOPMENTS AND FACTS CONCERNING THE UNITS IN QUESTION, WHICH HAVE BEEN DISCLOSED BY THE SELLERS. FOR SECURITY REASONS, UPON SUGGESTION OF MR. EMILIO THIS TLX IS FORWARDED TO YOU THROUGH OUR TLX NO. WHICH IS BEYOND ANYBODY CONTROL AND INTERFERENCE:-

QUOTE
THE SELLERS REPRESENTATIVE WHOM I MET ON SUNDAY/MONDAY AND AGAIN ON TUESDAY WAS VERY UPSET AT THE WAY WE HAVE DRAGGED THIS MATTER FOR SO LONG.
IT NOW APPEARS THAT AGENTS FROM THE TWO COUNTRIES (ISRAEL/SOUTHAFRICA) WHOM WE WERE NOT ALLOWED TO SELL HAVE GOT DETAILS OF THE EQUIPMENT. WHICH VERY OBVIOUSLY WERE GIVEN TO THEM BY ONE OF THE GROUPS INVOLVED. SELLERS ARE NOW NOT REPEAT NOT WILLING TO HAVE ANYONE AT THE MANUFACTURING PLANT, EVEN IF 100PCT OF THE MONEY IS PAID IN ADVANCE. BECAUSE THEY DO NOT TRUST ANYONE NOW. THEY ARE PREPARED TO SIT DOWN WITH BUYERS IN LUXEMBOURG AND TALK THE DEAL, ONLY IF 60PCT OF THE MONEY IS CONFIRMED IN ESCROW IN LUXEMBOURG.
IF BUYERS DO NOT WANT TO PROCEED AFTER MEETING IN LUXEMBOURG WITH SELLERS, ESCROW IS RETURNED TO BUYERS LESS ONE PERCENT OF ESCROW WHICH SELLERS ESTIMATE IS REASONABLE CHARGES FOR THEIR EXPENSES/ TIME/DISCLOSURE. IN THIS WAY IT IS POSSIBLE TO SEE WHO IS INTERESTED TO PURCHASE AND WHO IS INTERESTED ONLY FOR OTHER REASONS.
PERSONALLY I THINK SELLERS ARE VERY CLOSE TO DOING A DEAL ON THEIR OWN, AND SENT THEIR MAN TO GAUGE HOW CLOSE WE ARE TO SUCCESS IN THIS MATTER. HOWEVER, THEY ARE VERY GENUINE ABOUT THE LEAK, AND WILL NOT ALLOW ANYONE INTO THEIR PLANT.

IT WOULD BE EXTREMELY HELPFUL IF YOU CAN TELL US THE CURRENT STATUS AND THE DELAY IN ARRIVAL OF DELEGATES.

TLX NO. 1

ATT BERT FOR EUGENE

THIS IS THE FIRST OF A SERIES OF TLXS REPORTING ON OUR TRIP TO BAGHDAD PRESENTING THE GENERAL PICTURE OF THE WHOLE SITUATION.

IT WAS APPARENT THAT THE FIRST OPERATION - THE SUPPLY OF SOME SPECIFIC ARMAMENTS TO IRAQ - IS THE SECURITY KEY FOR THE MEN INVOLVED IN THE OPERATION OF THE 3 TOYS. BY THE SUCCESSFUL COMPLETION OF THE FIRST OPERATION THE MEN IN QUESTION ARE TO RECEAVE THE OFFICIAL PROTECTION OF THE IRAQI SERVICES THROUGHOUT THE MIDDLE EAST AND EUROPE (NOT ONLY WITH REGARD TO ISRAEL BUT ALSO WITH NOT FRIENDLY ARAB COUNTRIES). IN OTHER WORDS, THE TWO DEALS WERE INTERCONNECTED. WE WERE INTRODUCED AT THE TOP IRAQI MILITARY AND POLITICAL LEVELS BY THE PLO MEN RESPONSIBLE FOR THE 3 TOYS AND BY THE IRAQI SERVICES.

DURING SEMEHZYEAS AA38Ø29
M

DURING SEVERAL MEETINGS IT WAS APPARENT THAT NOT ONLY THE ABOVE TWO OPERATIONS HAD TO BE CONSIDERED, BUT ALSO GLAUCO'S OWN PATENTED ROCKET PROPULSION SYSTEM, WHICH IS UNIQUE SINCE IT IS FLAMELESS AND VERY EASY TO MANUFACTURE (EVEN THE PROPELLANTS CAN BE PRODUCED LOCALLY WHICH IRAQ WAS LOOKING FOR. THEN, IT APPEARED THE LAST TO BE THE KEY FOR THE OTHER TWO. GLAUCO - KNOWN HERE AS ''THE PROFESSOR'',- MET WITH IMMEDIATE SYMPATHY FROM ALL DECISIONAL PEOPLE INVOLVED.

AS FOR THE OFFERS SUBMITTED TO IRAQ, THE CHIEF OF ARMAMENTS TOLD US THEY ARE INTERESTED IN SAM-7, MORTARS, AH-1S ARMED WITH TOWS, PLUTONIUM, GLAUCO'S ROCKET WEAPON SYSTEM.

THE FIRST TECHNICAL MEETING ARRANGED SOON AFTER WAS WITH THE ARMY GENERAL RESPONSIBLE FOR ROCKETS AND HE IMMEDIATELY TALKED WITH GLAUCO IN AN ENTHUSIASTIC WAY. THIS CAUGHT US BY SURPRISE SINCE WE WERE NOT PREPARED FOR THIS DEVELOPMENT, SINCE OUR AIM IN GOING TO IRAQ WAS TO DISCUSS THE DIFFERENT ARMAMENTS OFFERS WE HAD.

AT THE END OF THE VARIOUS MEETINGS IT WAS DECIDED THAT THEY WILL BUY OUR ARMAMENTS, BUT SUBJECT TO THEIR FURTHER TECHNICAL DISCUSSIONS IN ROME FOR GLAUCO'S ROCKETS WHICH IS TO TAKE PLACE VERY SHORTLY BY AN OFFICIAL COMMITTEE OF MILITARY EXPERTS.
IT
IT WAS A SORT OF BLACKMAIL WHICH WE HAD TO ACCEPT. OFCOURSE, IT CAN BE THE KEY FOR THE WHOLE MIDDLE EAST MARKET.
OUR TURN WE ANSWERED ALSO WITH SMALL BLACKMAIL STATING THAT AT THIS STAGE WE WILL SHOW ONLY TECHNICAL DRAWING AND DATA. AN EVENTUAL FIRING DEMONSTRATION WILL TAKE PLACE ONLY AFTER CONCLUSION OF AT LEAST ONE ARMAMENT DEAL

THE INTEREST IS FOR A NUMBER OF UNITS FROM 5Ω UP, EACH ONE EQUIPPED WITH MINIMUM 2ΩΩ TOWS AND AN ADEQUATE NUMBER OF SPARE PARTS (A GUARANTEE TO SUPPLY 5 YEARS COMBAT-USE SPARES).
ABSOLUTE CONDITION FOR AH-1S IS THAT FLYING AND FIRING TESTS TO BE CARRIED OUT IN IRAQ OR A FRIENDLY ARAB COUNTRY (JORDA/SAUDI ARABIA) THEREFORE THEY ARE PREPARED TO OPEN A L/C IN LONDON TO BE NEGOTIATED AT X DAYS FROM DEPARTURE OF GOODS.
THEY ARE EXTREMELY WORRIED THAT GOODS COULD BE EASELY DAMEGED IN LOADING OR TRANSPORT BY FOE PARTIES. THEY CAN HELP AND ASSIST FOR THE TRANSPORTATION. THEY ARE ALSO PREPARED TO TAKE,TRANSPORT, DYNAMICALLY-TEST AND PAY ONE UNIT BY ONE .

WE HAVE AN OFFER FROM MR. VERSVIEWER OF 25 S-TYPE UNITS IMM. AVAILABLE PLUS 5 FURTHER UNITS PER MONTH, BUT WITHOUT TOWS. THE PRICE IS ANYWAY TOO HIGH. WE CAN TRY TO REDUCE IT POSSIBLY THROUGH MR. REF OUR LAST TLX WE HAVE BEEN INFORMED THAT SUBIR HAD CONTACT WITH THIS GUY BEFORE HEADING TO AMSTERDAM MAYBE THIS IS RELATED TO THE AMSTERDAM GROUP AND THEIR NEW OF OFFER OF 97 UNITS.

JOHN LORNES PARIS TEL: 7237898 TLX 613371 AERAM F

HAVE ALSO SPOKEN WITH HELMUT HE IS GETTING VERY NERVOUS AND ANXIOUS ABOUT NEW EVENTS HE BELIEVES THAT IF YOUR FRIENSD WILL CONVINCE SUBIR BY THEIR MEANS AND WAYS WE ARE ALL EXCULUDED FROM THE COMMISSION DUE TO US (HELMUT AND US) AND THENFORE HE WANTS TO ACTIVEATE NEW LINES.

AT THIS POINT WE BELIEVE THAT ACTIVATING NEW LINES IS THE WRONG MOVE, WE BELIEVE THAT OUR DUTY IS TO GET THE BUYER AND TRY TO CONVINCE HIM WITH A COMMERCIAL VOCABULARY,BUT IF CUSTOMER IS A BIT STUBBORN THAN YOU GET YOUR ASSOCIATES TO EXPLAIN BETTER THE WHOLE DEAL WITH A VERY CONVINCING DIALECT WHICH IS INTERNATIONALL UNDERSTOOD; WE FEEL THAT THE INTERFERANCE OF YOUR FRIENDS SHOULD NOT EXCLUDE ALL OF US FROM OUR DUE.

WE BELIEVE THAT IF YOUR FRIENDS WILL CONVINCE SUBIR WITH THEIR WAYS HE WILL APOLOGIZE TO VANSJWIEVER ALSO OPEN THE L/I AT ONCE VIA THE MUNICH LAWYER DR. SPINDLER AND HE WILL CONTINUE TO BE A POTENTIAL BUYER FOR ALL OF US KNOWING THAT THIS IS A SERIOUS POTENTIAL AND CONVINCING SELLER.

PLEASE TLX HELMUT THUS TO COOL HIM OFF, AND GIVE HIM PRECISE INSTUCTION FOR WHAT YOU RETAIN THE BEST, WE AW ALSO SUGGEST YOU REASSURE HELMUT AS FAR AS COMMISSIONS ARE CONCERNED. WE IT FROM YOU

BUT THERE IS ONLY ONE PROBLEM OJJEH IS LINKED DIRECTLY TO SOME OF THE BIGGEST FRENCH MANUFACTURERS, AND AS SUCH YOU MAY HAVE TO PUSH VERY HARD.

I KNOW THAT HE IS LOOKING FOR SOME POWER GENERATING MINERALS WHICH RUN ATOMIC POWER PLANTS, AND CAN ALSO BE USED FOR OTHER PURPOSES AND I CAN SUPPLY.... SO VERY DIPLOMATICALLY TELL HIM ABOUT THIS AS WELL. URGENT YOU WILL HAVE TO CLOSE TIS 66 UNITS SOON OR WE WILL LOOSE OUT AS THE OWNER CAME THRU TO ME FRIDAY INTIMATING THAT THE US GOVT WILL WANT THESE BACK TO SUPPLY ELSEWHERE UNLESS I CAN DO SOMETHING VERY SOON.

WE HAVE HAD A LONG TELECONVERSATION WITH HELMUT. AS WE EXPLAINED HIM, YESTERDAY WE SENT OJJEH A TLX., SINCE DR. PARTEL HAD PREVIOUS CONNECTIONS WITH THIS GROUP. THEREFORE, WE THOUGHT BEST TO INFORM ONE OF THE MOST INFLUENTIAL SAUDI AUTHORITY WITHIN OUR REACH ABOUT SUBIR'S PICTURE (TLX AS FOLLOWS):-

MR. AKRAM OJJEH

WE WOULD LIKE TO GIVE YOU A BRIEF SUMMERY OF DR. SUBIR CHAKLADER WHO WAS INTRODUCED TO US BY A SWISS FINANCIAL CORPORATION.
HE ASKED US TO SUPPLY HIM WITH 61 UNITS OF BELL COBRA AH-1C HELICOP.
SINCE THIS DEAL WAS POSSIBLE WE HAD OUR FIRST MEETING IN ROME AND HE INTRODUCED HIMSELF AS REPRESENTATIVE AND ADVISER TO HRH PRINCE NAWAF A SAUD BIN ABDULAZIZ OF SAUDI ARABIA.
ACCORDING TO HIS BUSINESS CARD HIS ADDRESS ARE THE FOLLOWING:-
139 EAST 57TH ST.

TELEPHONE AND TLX IN NEW YORK PROVED TO BE FAKED.

ON JUNE 16TH,81 WE OFFERED DR. CHAKLADER 66 UNITS BELL COBRA GIVING HIM FULL SPECIFICATIONS AND BANKING DETAILS FOR OPENING THE L/I TO KREDITSBANK ANTWERP. DR. CHAKLADER SENT A PRIVATE TLX TO THE BANK STATING THAT ON BEHALF OF HRH PRINCE NAWAF AND BY POWER OF ATTORNEY THEY WERE READY WILLING AND ABLE FOR THE ABOVE PURCHASE.
DR. CHAKLADER TRIED IN VAIN TO GET THESE UNITS FROM OTHER CHANNELS AND HE WAS INFORMED THAT HE COULD TOUR THE WHOLE WORLD BUT AT THE END HE HAD TO COME BACK TO US, SINCE OUR LINE IS THE ONLY ONE ABLE AND AUTHORIZED TO SELL THESE HELICOPTERS.
SINCE THAN DR. CHAKLADER DIDNOT TAKE AN OFFICIAL BANK/BANK ACTION FOR DEAL CONCLUSION.

THIS TLX WAS SENT TO OJJIE AT 11.21.HRS ON 3/7 OUR TIME.
AFTER THIRTEEN HOURS MATHIS PHONED IN THE MIDDLE OF OUR NIGHT
TELLING US THAT SUBIR HAS INSTRUCTED HIM TO ADVISE US THAT HE
WILL OPEN L/I ION MONDAY 6/7.
THE ABOVE ACTION/REACTION IS SELF EXPLANATORY.

DUE TO THE ABOVE WE ARE POSITIVELY SURE THAT SUBIR WILL ACT ON
MONDAY. WE NOW KNOW THE RIGHT WAY TO HAVE SUBIR MOVED...
AND QUICKLY...

DEAR EUGENE, AT THIS STAGE THE MOST IMPORTANT THING REPEAT
'' MOST IMPORTANT'' IS TO HAVE L/I OPENED. ALL YOUR POINTS WILL
BE CLEARED OUT AUTOMATICALLY THEREBY. CONSIDERING THAT SUBIR
FIXED DATE OF 6/7 FOR L/I OPENING TILL 14/7 HIS NEXT ARRIVAL
TO EUROPE, WE BELIEVE THIS PERIOD OF TIME WILL COVER ALL YOUR
POINTS. ANYWAY WE ARE RIGHT NOW MOVING TO TRY AND HAVE ALL
ANSWERS FIRST OF ALL THROUGH MATHIS (WHO LEFT ALL HIS
COORDINATES IN WARSAW TO US)

WE THEREFORE BELIEVE THAT THE PRESENCE OF BURT THOMPSON IN
ANTWERP IS PARAMOUNT FOR THEJ BEST AND QUICKEST CONCLUSION OF
THE DEAL.

AT THIS POINT DEAR EUGENE, WE ARE SURE TO CONCLUDE HAPPLY THIS

IVAN/GLAUCO

EUGENE HERE.... IVAN THE TICKET IS NO PROBLEMM... BUT I MUST
FIRST HAVE THE L/I AND THE FULL TEXT .. BECAUSE IF THE L/I
GOES IN WITHOUT WHAT TERMS I REQUIRE THEN IT WILL BE POINTLESS
TO DO ANYTHING BECAUSE SMETS WILL REPLY SAYING.. PLS FORWARD
L/I AS GIVEN ... I DO NOT A WANT TO PAY FOR A TICKET FOR SOMEONE
TO COME TO EUROPE.. UNLESS I HAVE WHAT I WANT TO DO THE BUSINESS
FAIR ENOUGH SUNBIR IS THE BUYER BUT I WANT TO SEE SOMETHING
HAPPENING BANK/BANK ... UPTO NOW WE HAVE HEARD THAT THE L/I IS
GOING THRU TODAY/TOMORROW ETC... FIRST CAN WE HAVE SOME ACRTION
THEN IF SUBIR WANTS A PRIVATE LEAR JET FOR HIM TIO DCOME FOR THE
INSPECTION,,, THIS WILL BE NO PROBLE M... I WILL NOT HAVE THE
BUYER OF MU I UNITS WORTH 5ØØ MILLION COME BY ORDINARYY COMMER
CIAL PLABNRE.. I HAVE GOT CLASS.. I WILL HAVE A LEA PICK SUBIR
UP .. BUT FIRST... LET US SEE THE COLOUR OF HIS MONEY...+

EUGENE YOU REALIZE THAT WE HAD YESTERDAY THE KIFE FROM ITS HANDLE
TODAY WE HAVE IT FROM THE BLADE UNFORTUNATELY NOW WE SHALL TRY
TO COMMUNICATE IT TO SUBIR ABOUT BEING PICKED UP BY THE LEAR JET
PROVIDED HE STARTS WORKING BANK/BANK+ 3K

IVAN.... I DO NOT HAVE TO PROVIDE ANYTHING FOR SUBIR... BUT I WILL
JUST TO FINALISE THIS DEAL.... ACCORDING TO AKKRAM... TO ASK
FOR A TICKET IN THIS MANNAR IS TO LOOSE FACE... WHY DID HE NOT
ASK AKKRAM FOR THE USE OF ONE OF HIS 7Ø7 ... HE HAS GOT TWO

I PERSONALLY THINK THAT SUBIR ACTS LIKE A SMALL CHILD... THIS
BUSUINESS IS NIOT FOR CHILDREN.. IET IS FOR MEN..
[illegible] YOU THINK IS BEST FOR THS DEAL... BUT I

WILL NOT AGREE TO SPOONFEEDING THIS SOB NOW THAT I HAVE SPOKRN TO AKKRAM AND KNOW THE SITUATION... EITHER HE COMES TO THE PICTURE ON MYH TERMS .. OR HE MAY BE OUT OF BUSINESS COMPLETELY...+

SINCE YOU SPOKE WITH AKKRAM CAN YOU TELL US THE OUTCOME+

YES HE HAS INSTRUCTED SUBIR TO GO AHEAD WTH THIS DEAL IMMED... AS THE PEOPLE FOR WHOM THEY AE BUYING THESE ARE NOW GINVING THE SAUDIS A BAD TIME... THE ONLY REASON AKKRAM DOES NOT WANT TO GET PERSONALLY INVOVLED IN THIS DEAL IS BECAUSE HE IS ALSO NEGOTIATING WITH DAUSSALT IN FRANCE FOR THEIR HELICOPTERS, AND HE CANNOT DO BOTH DEALS TOGETHER OR ELSE THE FRENCH WILL NOT PROVIDE OTHER EQUIPMENT TO THE SAUDOIS... THIS IS WHY HE WANTS SUBIR TO HANDLE THIS MATTER.. SO THAT HE WILL NOT GET INVOVLED WITHIN A POLITICAL PROBLEM IN FRANCE...+
OK SINCE NOW THE WHOLE STORY IS CLEAR WHAT CAN WE DO WITH SUBIR IF AKKRAM IS NOT GOING TO PUSH HIM FOR CONCLUSION IS THERE ANY WAY YOU KNOW THAT AKKRAM COULD INSTRUCT SUBIR TO OPEN IMMEDIATELY THE L/I OR NOT+

AS I UNDERSYTAND IT.. THE L/I WILL BE OPENED TODAY... BUT WHETHER OR NOT IT IS THE L/I I WANT IS SOMETHING I WILL HAVE TO SEE ... BUT MORE THAN THIS I CANNOT DO ANYTHING IVAN.. BECAUSE QUITE HONESTLY I AM SICK OF THESE PEOPLE ACTING LIKE SMALL CHILDREN. I AM IN HALF A MIND TO TELL ALL OF THEM TO GET STUGFFED.. AND GO SELL THESE UNITS TO JALLOUL MOHAMMED WHO IS THE P/M OF LIBYA WHO CAME THRU DIRECT TO ME ON THE TLP FROM LONDON 2 HOURS AGO.

IF FOR SOME REASON NOTHING IS CLODSED TODAY ... I AM SENDIND BERT TO LONDON TO SPEAK WITH JALLOUJ... BY THE AWQY.. JALLOUL AND I WERE IN UNIVERSITY TOGETHER IN 1951... SO I AM NOT TALKING TO A STRANGER... BUT TO A GOOD FRIEND.. I AM ONLY TELLING YOU THIS NOT BECAUSE I WABNT TO THROW UP ANOTHER DEAL.. BUT BECAUSE SUBIR MAY BE O THE OPINION THAT WE CANNOT SELL THESE UNITS... AND FURTHER BE I TELLL PRINCE SULTAN/OR PRINCE TURKI THAT THESE UNITS MAY BE 'USED AGAINST THEM IF JALLOUL GETS THEM... HELL WILL BE A BETTER PLACE THAN ANY PLACE ON EARTH FOR ALL THE PEOLPLE INVONVLED IN THIS DEAL... IVAN I DO NOT WANT TO SELL THESE UNITS TO GADDAFI.. BECAYSE I DO NOT LIKE HIM .. BIUT IF SUBIR ANFD HIS CHILDREN BEHAVE TE WAY THEY ARE DOING .. I WILL HAVE TO AS I NEED THE BLOODY MONEY....?+

OK EUGENE IT IS VERY CLEAR NOW WHAT CAN BE DONE WITH AKKRAM TO HAVE SUBIR MOVING TODAY FOR CONCLUSION?+

...

...

TO SELL TO K JALLOUL.. AND THAT THE ONLY REASON WAS BECAUSE
WE HAVE BEEN GIVEN THE RUN AROUND... SO PLS ADVISE ME ON
BERT THOMPSON AT THE HOTEL WHAT THE FINAL OUTCOME IS..
EITHER WAY DOES NOT MATTER TO ME NOW... BTUT AS I ASAID BEFO...
YOU ALL HAVE SPENT 4 WEEKS ON THIS TIME/MONEY... I WILL LIKE
TO DO HIS DEAL WITH ALL OF YOU.. BECAUSE WE CAN DO A LOT MORE...
BUT YOU ALSO HAVE TO REALISE MY POSITION... HERE I AM SITTING...
SITTING ON 500 MILLION DLS WORTH OF EQUOIP.. HOPING THAT
SUBIR WILL BUY... I AM TOLD BY EVERYONE THAT THE DEAL IS FOR SURE
AND AT ATHE K LAST MINUTE.. SOMETHING HAPPENS AND WE GO
BACK TO SQUARE ONE... I KNOW ALL OF YOU HAVE WORKED VERY HARD
LET US SEE WHAT WE CAN DO TO CLOSE THIS DEAL URGENTLY,
SO THAT I CAN GET OTHER THINGS UNDER WAY WITH YOU...+
OK EUGENE WILL CONTACT BOTH AKKRAM AND SUBIR AND LET YOU KNOW
OUR LINE OF ACTION+

PLS DO .. I WILL HELP YOU AS MUCH AS I CAN BUT SUBIR HAS TO HELP
THIS PART OF THE BARGAIN..+
CAN YOU ALSO FROM YOUR SIDE PUSH AKKRAM OR SULTAN OR WHOEVER
FOR LETTING SUBIR CONCLUDE TODAY+?
/
I CANNOT PUSH SULTAN... BECAUSE THIS.EQUIP IS BEING BOUGHT BY SAUDI
FOR ANOTHER COUNTRY... RE AKKRAM... HE CANNOT DO ANYTHING
BECAUSE HE IS BEING WATCHED BY HE FRENCH... AND HE F DOES
NOT WANT TO GET INVOVLED... I THINK THAT SPINDLER MAY BE
THE KEY TO THIS PROBLEM... AS AKKRAM TOLD THAT SPINDLER
HAS THE FULLEST AUTHIOITY TO DO THIS DEAL, SO SEE WHAT YOU CAN
DO AND REVERT TO ME OR TO BERT URGENTLY...+
YOUSEE SPINDLER HAS FULL OTHORITY ALSO SPINDLER CONFIRMED THAT
HAS THE MONEY READY IN THE BANK BUT STILL HE FER REFERS EVERYTHING
TO SUBIR AND AWAITS INSTRUCTION AS IT HAPPENED YESTERDAY AND
SPINDLER WILL NOT TAKE ANY ACTION UNLESS APPROVED BY SUBIR+

AS I SAID BEFORE IVAN... THEY EITHER WANT THE EQUIP OR THEY DO NOT
WANT THE EQUIP... PLS SEE WHAT YOU CAN DO WITH MATHIS ETC...
THEY ARE ALL GOING TO BE RICH ONLY IF THEY DO THE DEAL... IF
JALLOUL DOES TE DEAL... NO ONE IS GOING TO BE RICH.. OK.
SO PLS TRY YOUR BEST AND RESOLVE THIS WITH MATHIS/SUBIR / SPINDLER
ETC... AS I CANNOT GO ON THIS WAY...+
OK WILL CLOSE NOW AND FIND A WAY FOR CLEARING UP THIS SITUATION
LET US HOPE ALLAH WILL ILLUMINATE US+

E' Bianc. che ha messo ~~PUGLIESE~~ Pugl. in contatto con Wood a Ginevr. che lo ha passato all'austriaco, specializzato in forniture di armi orientali.
Pugl. si è sputtanato con l'affare andato a vuoto. Loro trattano forniture non inferiori a 1-2 miliardi.
Se ho il contante, posso riallacciare le fila.

La documentazione concerne rapporti commerciali tra il Partel (Soc. S.A...), il Pugliese (Soc. A.G.R. in Turc.), il BIANCARDI Giorgio in relazione a progetti di carattere vario negli anni 1980-1981-1982.

Biancardi quindi punta tutto sulla fornitura dello stabilimento chiavi in mano.

Il diplomatico accenna a sue introduzioni in Oman, Libano, Tailandia, Brasile. Prevede di contattarmi con il suo ammiraglio per una prima discussione tecnica, poi con gli uomini di quei Paesi, poi verrà fatta una lettera di intento, poi si vedrà. Cioè se fare o meno e se fare e dove la dimostrazione.

Il diplomatico mi chiamerà dichiarandosi sotto il nome di CICO!

Al diplomatico e al suo amico, Biancardi riconosce il 5% della somma disponibile come know how ecc. (cioè p.es. 15 milioni di dollari su 30 milioni di dollari). Su questi 15 milioni S loro prendono il 5%.

[illegible] miliardi.

Biancardi ha paura che rimango incastrato con la SAI. Col memorandum preparato, potrebbe essere.

Devono spendere un 200 milioni per l'attività promozionale di questo affare. Ma ne vale la pena, in quanto rende miliardi.

Memorandum SAI

Evidenziare che l'ambiente, essendo ostile e contrario ai razzi, non è certo sereno e tanto meno ideale per costruirli.

Processo Torino: chi paga? Solo io? Vale anche per Biancardi.

accordo di licenza ed assistenza tecnica

Egregio dott. Partel,

ho il piacere di informarla che l'incisivo lavoro svolto per la promozione dello sfruttamento industriale dei razzi da Lei sviluppati sta dando risultati positivi.
I due primi paesi scelti; Nigeria e Saudi Arabia hanno un concreto interesse all'argomento.
In settembre è previsto un primo contatto a livello tecnico che avrà luogo in Europa o, quale ospite ufficiale, nel paese interessato.

Dato la delicatezza del 'prodotto' e la posizione di vertice decisionale della controparte con cui trattiamo sono a chiederle di voler procedere alla accettazione del documento che ho lasciato in Sue mani allegandovi anche la fotocopia delle registrazioni delle licenze e relativo numero e paesi dove è stata registrata.

La promozione di un progetto industriale di questo tipo non sarebbe attuabile se solo fine a se stessa, cosi come già le dissi a voce , é resa possibile solo da rapporti finanziari già da tempo in corso fra il gruppo a me collegato e le controparti. Constatata quindi la possibilità obiettiva di procedere é doveroso per quanto mi concerne legalizzare quanto esposto nella scrittura privata cosi da essere garantito sulla Sua assistenza tecnica nel momento che il contratto andasse perfezionato.

Come Lei ha potuto constatare di persona in questi 5/6 anni, riuscire a concretizzare un contratto di questo tipo non é cosa semplice , diventa fattibile solo se la controparte ha la posizione di 'ordinare' di procedere all'esame per progetto. A questo punto desidero evitare una mia maggiore esposizione senza che Lei abbia firmato all'accordo che già ho avuto modo di illustrarle e che ha come unico scopo quello di 'monetizzare' anni di ricerche che sono rimaste, per molteplici ragioni, lettera morta fino ad oggi. Le chiedo quindi di procedere in tale senso sentendo il parere del Suo legale.

Voglia gradire i miei migliori saluti.

REGISTRI RUFFETTI - MOD. 6481 (B)

Prima di andare in Africa, Massimo ha dato a Ciccolini la pratica del finanziamento Cassa Mezzogiorno per lo stabilimento razzi in Calabria (senza dirmi nulla).

Oggi (2 marzo) 1982) Ciccolini mi telefona avendo trovato il finanziamento totale e la strada giusta. Vuol sentire che decisione prendo.

Voglio sentire Massimo cuando rientra dall'Africa.

Copia del Promemoria per [illegible]

PROMEMORIA PER IL DR. PUGLIESE 3883

1) Ti prego anzitutto di ringraziare il dr. Biancardi dell'impegno con il quale sta operando e di dissipare ogni equivoco ed ogni sfavorevole impressione circa i miei sentimenti nei suoi confronti.
Forse da parte mia può esserci stata poca chiarezza ma non certo malafede.

2) Detto questo, con la stessa franchezza spiega al dr. Biancardi che nessuna delega posso rilasciargli per i miei rapporti con la SAI. Sono stato più volte chiamato da Passignano ed i miei rapporti sono così cordiali anche con la nuova proprietà che mi parebbe uno sgarbo delegare tali contatti ad altri.

3) Sono lieto che la trattativa con la Nigeria sia andata avanti e spero che si concluda presto e favorevolmente.
Il dr. Biancardi conosce perfettamente quale è la condizione in proposito posta dalla SAI, se riteniamo che la SAI ci è necessaria per la presentazione dei prodotti : non è possibile realizzare stabilimenti chiavi in mano se prima non c'é una commessa.

4) Sono dunque pronto a delegare il dr. Biancardi a trattare con le autorità Nigeriane la realizzazione di uno stabilimento sulla base di questi concentti.

Non mi pare il caso, per una trattativa come quella in questione redigere un contratto che, oltre tutto, secondo il mio legale, non calza al tipo di rapporti che si sono stabiliti tra me ed il dr.Biancardi. Il mio avvocato propone di rilasciare al dr. Biancardi una procura generica " ad negotia" vistata, se egli lo desidera, dal Consolato nigeriano in Roma. Soltanto nel momento in cui si confermerà la concretezza dell'interesse si potrà stipulare un contratto circostanziato, adatto al tipo di rapporto che ne verrà fuori (ma ricorda al dr. Biancardi che non gli sarà tanto facile di concludere).
Al dr. Biancardi potrei chiedere una certa cifra ed egli tratterebbe il resto, oppure si discuterà diversamente. Certo non posso "consegnarmi" interamente (come quello schema di accordo richiede), senza un corrispettivo immediato che mi consenta di vivere.
Tu sai quale difficoltà ho incontrato in questi mesi e se non fosse stato per il tuo aiuto avrei dovuto chiudere bottega.

5) Nell'incontro che sarò lieto di avere con il dr. Biancardi sulla base di quanto precede, oltre a tè dovreb be partecipare anche il Sig. Mancini.

Riunione tenutasi il 16/8/81 = Chiarito che nessuna delega parte conferirà a Biancardi - Nessun atto contratto parte stipulerà con Biancardi prima che Biancardi dimostri di aver proleva di Concreto.

Sono disponibile ad una contrattazione su questa base:

cedere i diritti per la realizzazione dei razzi - quindi dello stabilimento - a queste condizioni:

- deposito di 500 milioni di lire, da svincolarsi alla firma del contratto col cliente;
- contratto dove viene stabilito che mi si dà un quid mensile o annuo per consulenza e direzione; ciò vale anche per le persone necessarie, che usufruiranno di uncontratto a parte.

I diritti si intendono per i brevetti già registrati e per i razzi già realizzati.

I diritti di concedere altre invenzioni sono da discutersi a parte dando un valore ai medesimi.

Non è concesso lo sfruttamento a terzi tranne che il sottoscritto e le persone a lui associate non vengano a beneficiare di royalties o altra forma di compenso.

Tutte le informazioni e documentazioni relative potranno essere consegnate dopo avvenuta la firma del contratto ed avere effettuate le relative prove.

Dovranno essere chiarite le responsabilità del sottoscritto e dei miei collaboratori, nonchè gli stipendi, tempi di lavoro, residenze, rimborsi spese, partecipazioni.

La provvigione spettante a colui che professionalmente si è interessato della stipula dovrà essere versata dalla parte acquirente e non in parte accollata al sottoscritto.

Circa il punto 7) della bozza di contratto, il diritto di prelazione dovrà essere discusso di volta in volta secondo eventuali trattative.

Al punto 8) si intende solo quanto contenuto nel contratto e non altri esperimenti o ricerche al di fuori dell'ambito dei brevetti in argomento.

I contratti devono essere stipulati direttamente tra le parti interessate in quanto non viene concesso a terzi di procedere allo sfruttamento commerciale dei diritti acquisiti.

Nel caso di non accettazione delle presenti proposte, si stabilirà un valore ai brevetti dati in concessione, nonchè le royalties su quanto prodotto e venduto.

for the 2os Jogos da Africa Cantral

3894

1) Two gold coins in the denominations of 5000 and 10.000 Kwanzas to be issued for a total amount of 3000 gold coins for each denomination.

2) One silver coin in the denomination of 1000 Kwanzas to be issued in a mintage of 6000 pieces.

3) Italcambio will supply all precious metals and the required services, so that the Government of Angola has not to incur in any expenditure whatever. Italcambio will also absolve all market promotions.

4) The Republic of Angola will receive from Italcambio a royalty of 20% which, for the two gold coins and the silver coin in question, corresponds to a minimum of 470.000 US dollars.

5) Italcambio is also ready to issue 23 K gold foil postal stamps in a set to be determined: for instance, 24 stamps of different designs to be issued one per month for two years. Each issue to be limited to 40.000 pieces, with postal value of each stamp equivalent to about 10 US dollars (300 Kwanzas).

6) Italcambio will recognize on the stamps of point 5) a royalty of 10% (1 dollar per stamp) for every stamp produced, and moreover it will deliver 100 stamps of each design free of charge, for direct sale to the public at local post offices. This means an income of 40.000 dollars per month for each stamp issued by Italcambio, plus an additional income of 24.000 dollars for the stamps delivered free of charge.

7) All costs for the stamps are to be borne by Italcambio: the Government of Angola has only to enact legislation for the commemorative postal issue in question.

8) Moreover, Italcambio would also consider, if the Government of Angola is to issue a set in paper with the same designs but lower values, to give this paper stamp set free as an incentive to the subscribers of the gold foil stamp set.

MANCINI.

La documentazione concerne rapporti tra PARTEL, PUGLIESE PERETTI, MANCINI, GALILEOS, BERTONCINI, relativamente alla vendita di 30 elicotteri COBRA BELL, operazione in relazione alla quale il MANCINI, pretendeva (nel 1981) che venisse portate a termine negli uffici della Corea Impex con riconoscimento a questi dei relativi compensi.

Interessante è la risposta del PANTEL, il quale puntualizza che detta "società non è abilitata a trattare armamenti bellici".

Di maggiore importanza è l'appunto manoscritto del PARTEL concernente i propri depositi "da non toccare" per 2.000.000 di dollari"riserva per la vecchiaia"; 1,5 milioni lingotti oro presso la Banca Federale di Zurigo, di 200.000 dollari in Roma e di 100.000 dollari in Londra, New Jork, Lugano.

Ci riferiamo alla Sua del 20/8/81, GP/da 3015, allo scopo, quantomeno, di rinfrescarLe la memoria.

E' vero che la ns. Società non ha per statuto la vendita ed il commercio di armamenti etc...ma, è pur vero, che la trattativa che Ella inizio', partì da un telex di offerta indirizzato al ns. Agente, Dott. Costantino Peretti, il quale lo mise a disposizione non già del Dott. Glauco Partel, bensì della Società; che poi Ella si sia impossessato della trattativa a Suo nome, è un altro discorso.

Le vogliamo rammentare, Dott. Partel, che proprio una Corea Impex, di cui Ella oggi, proiettato com'è verso obiettivi fantacommerciali, parla in modo dispregiativo, più di una volta Le ha fatto comodo.

La Sua raccomandata, così com'è, la definiamo quantomeno ridicola e ci conferma il Suo poco chiaro modo di agire, passando indifferentemente, secondo le Sue necessità, da un accordo all'altro, cercando, evidentemente, soltanto il Suo interesse personale.
Che Ella non riconosca alla Corea Impex alcun titolo di inserimento o di ingerenza, lascia il tempo che trova e ci asteniamo da ogni commento che, tra l'altro, in questa sede, sarebbe inutile; commenti in proposito li lasciamo ad altre Società che, con pieni titoli, Le potranno chiedere conto di quanto Ella, gelosamente, trattiene per sè.

La Sua minaccia messa in parentesi, caro Dott. Partel, è evidente segno della Sua malafede e ci lascia assolutamente indifferenti.

Tanto Le dovevamo.

Caro Glauco,

preferisco scrivere anziche telefonare in quanto con mia grossa meraviglia hai rigettato la mia proposta di dimenticare eventuali contrasti passati e guardare soprattutto le possibilità future.

I motivi di questo tuo rancore nei miei riguardi li ho sempre ritenuti, e te l'ho espresso, risolvibili ma evidentemente li ritieni insanabili e irreversibili.

In tutta la mia passata attività ho sempre, malgrado contestazioni che posso aver fatto in modo molto aperto, rispettato tutte le persone con cui ho avuto la fortuna o sfortuna di collaborare fino a quando le stesse non mi hanno manifestato una chiara malafede e solo a questo punto ho interrotto i miei rapporti.

Nei tuoi riguardi credo di essermi sempre comportato in modo ineccepibile e chiaro manifestandoti sempre fiducia, stima e amicizia, ora devo constatare, con vero rammarico, che altrettanto non é avvenuto da parte tua.

Ho creduto nella tua attività di ricercatore scientifico e proprio per questo ho investito nel tuo progetto tempo e danaro per arrivare poi all'attuale conclusione che, credimi, mi avvilisce.

Allo stato attuale devo quindi chiedere, con rammarico, l'interruzione del rapporto societario e conseguentemente la liquidazione della Società.

Colgo l'occasione di inviarti gli auguri per le prossime festività.

GP/da-3015

Con riferimento alla Vs. VM/tb/P74/C del 14 c.m., con la quale Vi riferite ad una presunta trattativa di n°30 elicotteri militari Cobra Bell AH 1G, faccio presente:

a) non sono a conoscenza di alcuna trattativa riguardante n°30 elicotteri militari Cobra Bell;

b) una trattativa riguardante n°66 elicotteri militari Cobra Bell venne da me personalmente avviata, avendone un acquirente - in seguito coadiuvato dal Vs. Sig. Ivan Galileos - ma la trattativa suddetta non è pervenuta - per lo meno a tutt'oggi - ad esito positivo;

c) la trattativa inerente i n°66 elicotteri militari Cobra Bell di cui al punto b) è stata svolta in parte utilizzando telex e telefoni della sede di via Macrobio 25 di codesta Società, in parte telefoni miei personali, in parte telefoni e telex del Sig. Carlo Bertoncini, in parte telefoni e telex di una società finanziaria italo-svizzera, in parte telefoni e telex di una organizzazione londinese, in parte telex e telefoni di una società legale tedesca (è assurdo il solo pensare che una trattativa della portata in questione possa essere gestita da una Corea Impex);

d) non riconosco alla Corea Impex alcun titolo di ingerirsi in trattative che, per statuto societario e per legge, non le competono in quanto non abilitata a trattare armamenti bellici (tengo a precisare, inoltre, che all'inizio si era amichevolmente stabilito che alla trattativa in questione sarebbero stati interessati i Sigg. Perretti, Mancini, Galileo e lo scrivente); non mi sono mai minimamente pensato di svolgere tale trattativa per conto ed in nome della Corea Impex, società completamente estranea e non qualificata per tale genere di affari.

Visto quanto sopra, qualora insistiate ad arrogarVi diritti inesistenti, dovrò necessariamente proteggermi e cautelarmi nelle dovute sedi (non solo legali).

Tanto Vi dovevo.

Distinti saluti.

Premesso che, in data 30 Luglio 1980, tra la Corea Impex srl, Via Teodosio Macrobio, 25, Roma e l'Ing. Glauco Partel, Via Squarcialupo, 19, Roma, fu stipulato un accordo di massima relativo all'introduzione del brevetto relativo alla produzione di razzi tattici con propellente inventato dall'Ing. Partel

Premesso che l'Ing. diede mandato verbale alla Corea Impex di promuovere verso la Libia l'introduzione del brevetto e dei razzi tattici di cui sopra

Premesso che la Corea Impex ha mantenuto fede all'impegno assunto con l'Ing. Glauco Partel circa l'introduzione verso il Paese suesposto, in data odierna, si stabilisce tra la Corea Impex e l'Ing. Partel il seguente contratto:

LA COREA IMPEX (OSOCIETA' DA DESTINARSI) E L'ING. PARTEL DECIDONO LE SEGUENTI CONDIZIONI CONTRATTUALI:

a) La Corea Impex si impegna a versare all'Ing. Partel una cifra forfaitaria di Lit. 700.000 (settecentomila) mensili, quali rimborso spese
b) La Corea Impex si impegna a versare la somma di Lit. 4.000.000 (quattromilioni) in via anticipata su quanto stabilito al paragrafo precedente
c) La Corea Impex (o Società da destinarsi) si impegna a versare all'Ing. Partel la parte di utili che saranno conseguiti nel corso delle operazioni qui di seguito esplicate

L'Ing. Partel si impegna con la Corea Impex su quanto segue:

a) si impegna a sospendere ogni trattativa diretta od indiretta relativa al brevetto avente il N° d'ordine 49955 A/80
b) si impegna a fornire tutti i dati tecnici necessari, campioni e la Sua opera personale a richiesta della Corea Impex
c) si impegna a mettere a disposizione della Corea Impex tutte quelle notizie relative al progetto razzi, brevetto N° 49955 A/80 ed esplicare opera di consulenza nel Paese (Libia) ove il progetto è stato presentato dalla Corea Impex

d) si impegna, nel periodo di durata del presente contratto, ad informare e collaborare con la Corea Impex su tutte quelle che saranno le richieste da Paesi diversi che a Lui potranno pervenire e conseguentemente dare alla Corea Impex la possibilità di commercializzazione del prodotto in questione, da regolare nel contesto SAI, di cui la Corea Impex ha mandato di esclusiva

e) dichiara di non aver preclusioni né impegni alla presente data circa la commercializzazione del suddetto progetto e dà quindi ampio mandato alla Corea Impex per la commercializzazione del progetto in oggetto di cui Egli si dichiara unico titolare, v. punto precedente

Il presente accordo viene firmato in data odierna dal Sig. Vincenzo Mancini, Presidente della Corea Impex, e dall'Ing. Glauco Partel, proprietario del brevetto in questione e, pure avendo carattere provvisiorio, in attesa del contratto definitivo, ha validità vincolante per ambo le parti.

La durata del presente contratto sarà determinata dall'esito che si otterrà circa la fornitura o vendita dei razzi tattici e/o impianto in Libia. Resta inteso che, quanto al momento versato dalla Corea Impex all'Ing. Partel, non dovrà essere dall'Ing. Partel restituito alla Corea Impex a meno che, nel cordo del presente contratto, non ci siano elementi di responsabilità da parte dell'Ing. Partel tali da autorizzare la Corea Impex ad esigere il rimborso delle somme versate.

Oggetto:- Elicotteri militari Cobra Bell AH 1G.

Mi riferisco alla Vs. VM/tb/177/C del 26 agosto u.s., allo scopo, quantomeno, di puntualizzare la situazione.

La trattativa degli elicotteri militari Cobra Bell AH 1G in argomento - sarebbe del tutto inutile parlarne, in quanto la medesima è in una situazione di stallo, ma evidentemente è meglio essere precisi in merito - è partita all'origine con un ben definito acquirente. Quando la proposi al Vs. Sig. Mancini e al Dr. Pugliese - potevo, è evidente, proporla ad un ventaglio di potenziali conoscenti interessati, ma in buona fede mi sentivo di dare la priorità a coloro che reputavo amici - fin dal primo momento incontrai resistenze, discussioni, perfino male parole. Allora, comunque, la trattativa venne avviata sul venditore del canale "Bertoncini". Solo quando mi resi conto di essere tenuto in disparte da alcuni incontri essenziali che ebbero luogo a Parigi - per combinazione ciò succedeva proprio quando per puro caso vidi sul tavolo del Dr. Peretti il telex da lui ricevuto già da una decina di giorni da parte di un consulente di un altro venditore (telex che il Dr. Peretti stava per cestinare non avendo alcun cliente per la merce offerta) - chiesi allo stesso Dr. Peretti di passarmelo (a me, non alla Corea Impex) in quanto disponevo di un potenziale cliente. La Corea Impex era fuori causa, sia perchè non aveva alcun cliente, sia perchè il telex originale era stato indirizzato a Mr. Peretti padre e poi, dopo una chiarificazione telefonica, a Costantino Peretti in quanto figlio di...suo padre, e non in qualità di Agente della Corea Impex!

Tanto per rinfrescare la memoria del Vs. Sig. Mancini, alcuni giorni dopo elaborai uno schema con i pro ed i contro dei due potenziali venditori (allora non si sapeva che tutti due questi ultimi facevano capo ad un'unica organizzazione centrale, che fu uno dei motivi di scontro più accesi quando - all'inizio - accennai a tale probabilità, motivato com'ero da un curriculum quasi decennale nei quadri della medesima). Si decise, di comune accordo, di seguire il canale di cui al telex ricevuto dal Dr. Peretti e si stabilì di svolgere la trattativa di trait-d'union fra acquirente e venditore negli

uffici di via Macrobio 25, trattativa che sarebbe stata seguita nel massimo segreto da me e dal Vs. Sig. Galileo. Agli eventuali benefici avrebbero partecipato - come persone fisiche - i sigg. Galileo, Mancini, Partel, Peretti. Di Corea Impex nessuno fece mai menzione. Se così fosse stato, è logico che avrei immediatamente fatto le mie obiezioni.

Ciò che dal contesto della lettera del 26/8/81 scrittami dal Vs. Sig. Mancini risulta incomprensibile ed illogico è che, se per stessa ammissione del Vs. Sig. Mancini gli obiettivi prefissimi da questa trattativa sono fantacommerciali e pertanto irrealizzabili, il medesimo sollevi tutto questo vespaio per... nulla!

In sintesi, il contenuto della Vs. lettera del 26 agosto u.s. - contenuto sufficiente ad adire una querela per diffamazione laddove si parla di un mio modo di agire poco chiaro, di miei passaggi da un accordo all'altro secondo le mie necessità, di malafede, ecc.: tutti fatti da dimostrare con tanto di prove e non con semplici vilipendi - è quindi ridicolo, pretestuoso ed ironico.

Per quanto riguarda quei commenti che il Sig. Mancini pensa di lasciar fare ad altre Società che Lui ritiene possano a pieni titoli chiedermi conto di quanto "gelosamente" trattango per me, ciò mi lascia assolutamente indifferente, in quanto la mia coscienza è a posto e non ci sono Società su tutta la faccia della Terra che possano chiedermi conto di alcunchè su questa trattativa.

Tanto Vi dovevo.

La documentazione, numerosa, concerne rapporti societari tra il PARTEL, il PUGLIESE, il MANCINI(nel 1980-81-82) in relazione all'attività delle quali il PARTEL è il presidente, il PUGLIESE è il consigliere, il MANCINI amministratore delegato, svolta dal Centro Studi Produzione missili, in particolare in relazione allo sfruttamento commerciale di un propellente brevettato dall'Ing. PARTEL.

Nell'appunto 23.1.1981 vengono indicati alcuni furti d'interesse della società, tra queste in ordine ai contatti U.S.A vengono menzionati TUTINO e BRAZZI, in relazione ai quali si rinvia a quanto si dirà sul PUGLIESE e sul BRAZZI.

AMPLIAMENTO E/O TRASFORMAZIONE DEL CENTRO STUDI TRASPORTI MISSILISTICI IN SOCIETA' INDUSTRIALE

3910

Roma, 24 dicembre 1980

Dall'esperienza di questi ultimi mesi abbiamo tratto la convinzione circa l'opportunità di impiantare in Italia uno stabilimento per la produzione di propulsori per razzi e missili che utilizzino il noto propellente originale coperto da brevetto.
Condizioni imprescindibili per la realizzazione dell'iniziativa sono le seguenti:

a) lo stabilimento dovrà sorgere nell'area della Cassa per il Mezzogiorno con le incentivazioni previste dalla legge 183 (40% di contributo a fondo perduto, 30% di finanziamento a lungo termine a tasso agevolato);

b) l'impegno finanziario per lo stabilimento dovrà essere inferiore a 2 miliardi di lire;

c) la produzione dovrà avere come supporto l'industria nazionale e/o estera che fabbrica teste di guerra; con tali industrie andrebbero presi preventivamente gli opportuni contatti allo scopo di acquisire per lo meno una lettera di intenti;

d) le incentivazioni previste dalla legge 183 sono accordate all'imprenditore che "dimostri" soltanto di disporre del 30% residuo necessario agli investimenti fissi; nel caso specifico si tratta di 600 milioni di lire (a voce saranno chiariti alcuni aspetti fondamentali al riguardo); l'apporto di capitale "realmente" occorrente dovrà essere assicurato da uno o più soci che non sarà difficile reperire;

e) poichè la legge 183 scade il 31/12/1980 (si parla di proroga per 6 o 12 mesi) è indispensabile presentare prima della scadenza il modulo stabilito dalla Cassa per il Mezzogiorno.

In occasione di alcuni contatti stabiliti recentemente con la ISVEIMER ci è stato consigliato di inoltrare la domanda di contributo e di finanziamento anche se non si è in possesso di tutti i dati occorrenti.

PARTEL solamente la proprietà del brevetto di cui trattasi.

L'ing. PARTEL, inoltre, si impegna a proseguire - in forma esclusiva - le ricerche e gli studi nel settore, contro adeguata retribuzione che il Centro gli riconoscerà secondo quanto sarà concordato in separata sede.

Oggetto: Rockets Libia

Con la presente La informo dei progetti di cui all'oggetto.

Ho avuto nella mattinata di oggi un incontro con l'Addetto Militare Libico, (lo stesso che venne a vedere le prove a Passignano) il quale , finalmente, mi ha messo al corrente del reale motivo per cui tutta la trattativa si é fermata.

Essendo stata la trattativa iniziata dall'Ambasciatore, persona civile e non militare, i militari non amando le interferenze hanno bloccato la questione. Ora l'Addetto Militare michiede, nuovamente, la storia della trattativa dall'inizio alla fine compreso il gentlemen Agreement fatto all'Ambasciata di Roma.

Le sarei grato Egr. Dott. Partel se volesse, per il comune beneficio, indirizzarmi tale documentazione acciocché io possa produrla all' Addetto Militare stesso.

Distinti saluti

La documentazione concerne le trattative per la vendita al Governo Irakeno di missili SAM 7, mortai, elicotteri, AH IS armamenti di missili TOWS, Plutonio, e sistemi a razzo dell'Ing. PARTEL.

Le offerte sono da parte di BARTOLOMEJ e AESCHACH. Dall'appunto "Bertoncini 8.5.81" risulta chiaramente l'uso di certificati E.U.C. falsi e cioè per l'ARABIA Saudita invece che per l'IRAK; che il Pugliese lavora a contatto con persone dei servizi Francesi; che direttamente interessate all'acquisto è l'Ambasciata IRAKENA in Roma: cfr. telex del PUGLIESE del 20.5.1981, e interr. PARTEL, PUGLIESE, BERTONCINI.

Al contratto,da firmare in Roma, evidentemente all'Ambasciata IRAKENA, e tra il Ministro della Difesa, BAGHDAD - IRAK - SOTI - e il PARTEL.

Di particolare importanza sono i telex del 30.3.81 facenti riferimento anche ai 3 TOJ di cui alla doc. retro sub. 32.

Bertoncini 6/5/81 (mercoledì)

Ha parlato venerdì con la commissione, in mattinata.

Hanno detto che sono pronti a definire la cosa e volevano vedere i materiali. Ciò non è possibile, per la procedura stabilita.

Ieri mattina ha dato al nostro amico in ambasciata (la commissione non c'è più) il nome della società e gli altri particolari (lui pensa che io sappia tutto e invece non so nulla!). Ha anche comunicato che i 24 sono diventati ora 120 disponibili.

Ora loro invieranno copia dell'end use certificate per mettere in moto lo cosa. Non sa quanto tempo ciò possa prendere, forse una settimana, comunque non ci sono problemi politici. E' una semplice questione di tempo materiale perchè il documento deve andare con la valigia diplomatica avanti e indietro dalla loro capitale e poi pervenire a Roma.

Per i razzi ancora non ci sono reazioni. Comunque, una visita allo stabilimento gli darebbe motivo per sollecitarli ed a loro farebbe piacere. Verrebbe l'addetto militare o un altro esperto, se disponibile.

Glielo comunicherò al mio rientro a Roma.

Bertoncini 8/5/81

Gli iracheni hanno chiesto la lettera di offerta ufficiale con i prezzi a fronte di una loro letters di intento (in attesa dell'end use certificate) per guadagnare tempo.

Ora la mossa è a Pugliese e Parisi.

La farraginosità del meccanismo e la grande perdita di tempo per avere dei prezzi induce a ritenere che l'anello di congiunzione francese di Pugliese non è una prima ruota ma una rotella che gira a sua volta intorno a qualcun altro. E' quasi certo che sia un pendant di Pugliese, forse ancora in servizio.
La mancanza di performance bond da parte della società francese (anche se governativa) è un altro punto interrogativo. Il documento notarile non dice niente.
Altro punto interrogativo che potrebbe aver complicato le cose è il non aver comunicato al venditore dove va il materiale.

Ora l'Irag produrra una lettera di intento dell'Arabia Saudita (in quanto Pugliese non accetta quella dell'Irag, perchè i francese sono all'oscuro della destinazione finale!).

Se avesse saputo dall'orgine che sarebbe stato richiesto un end users certificate dell'Arabia Saudita non avrebbe fatto l'affare con noi.
Il 7 maggio è passato ed i prezzi non ci sono!
Sono stati richiesti ieri.

Il totale del primo affare immediato è sui 200 milioni $.
